ZEPHYR

www.zephyronline.com

The Europa Collection by Zephyr brings the art of European styling to high-power kitchen ventilation. This line of exclusive Italian imports offers a sophisticated blend of fashion with function. From round to rectangles to squares and triangles; the ability to mold metal into distinctive shapes, to fuse glass with stainless steel, while maintaining ventilation efficiency and functionality, surpasses all engineering and design barriers previously achievable only in dreams. Zephyr Ventilation is proud to bring you the latest trend design in power ventilation for today's kitchens.

P Y R A M I D
Z E P H Y R

Features:					
Slide Controls	3 var. Speed	2 Halogen Lamps	Utility Bar	Adjustable Depths [10.75" - 14.75"]	
PYRAMID - ZPY-E30S					

Finish: White, Black & Stainless Steel
Available with ductless conversion.
Order conversion kit separately
part# ZPY-K005

10

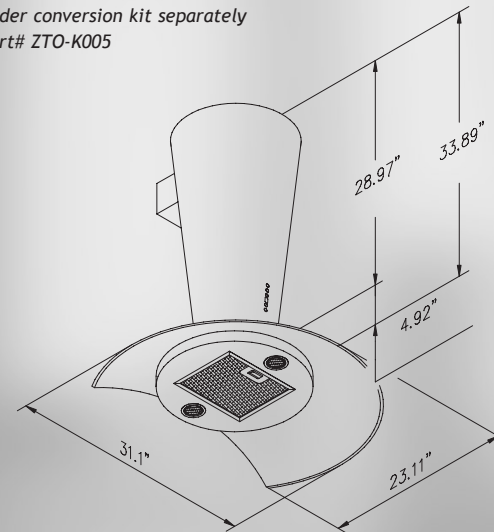

Artistic expression and conventional function embody this highly original frame. The Pyramid integrates an existing under-cabinet mount design while capturing the popular chimney hood style. The Pyramid is designed to mount flush with a variety of cabinet depth (between 10.75"-14.75") by utilizing an adjustable panel that also works as a convenient utility bar (as shown).

Features:					
Touch Controls	6 var. Speed	15 min. Delay Off	2 Halogen Lamps	2 Level Lighting	1 Piece Seamless Construction
TORINO - ZTO-M79S - WALL					

Finish: Stainless Steel w/ frosted glass
The Torino series ships in one piece
and available with ductless conversion.
Order conversion kit separately
part# ZTO-K005

3

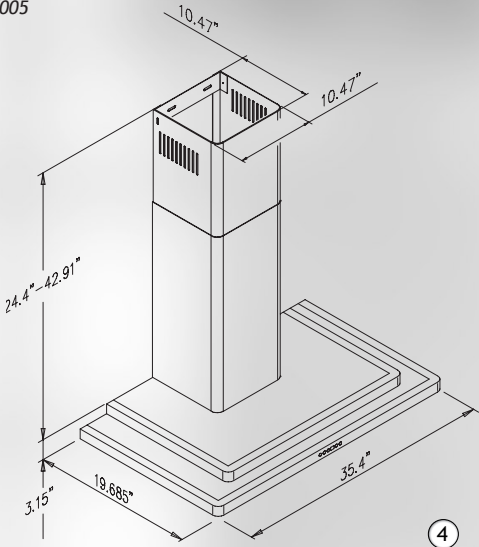

Inspired by the martini glass, the radical design of the Torino is carefully sculpted by fusing a cylindrical stainless steel body stem with an oval, hand-blown, frosted glass. The highly sophisticated outline creates a striking axis in notably modern or loft kitchens. Seamless one-piece construction with two flood halogen lamps mounted on the stem base.

Features:

Touch Controls	6 var. Speed	15 min. Delay Off	2 Halogen Lamps	2 Level Lighting	Telescopic Ducting
FIRENZE - ZFI-M90S - WALL					

Finish: Stainless Steel
 Available with ductless conversion.
 Order conversion kit separately
 part# ZFI-K005

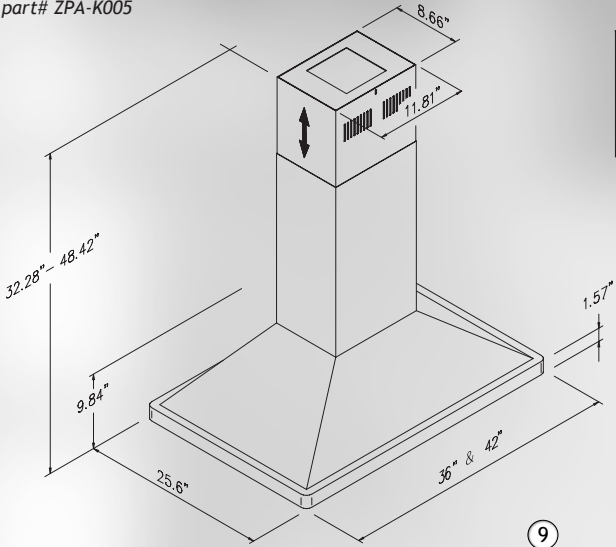

The simple, elegant linear appeal expresses imagination and individuality in a slim, modern profile. This space saving design can also double as a decorative spice rack. Showcase your rare spices atop this sleek and clean-cornered stack design chimney hood.

Features:

Touch Controls	6 var. Speed	15 min. Delay Off	4 Halogen Lamps	2 Level Lighting	Telescopic Ducting
NAPOLI - ZNA-E42S - ISLAND					

Finish: All Stainless Steel
 Available with ductless conversion.
 Order conversion kit separately
 part# ZPA-K005

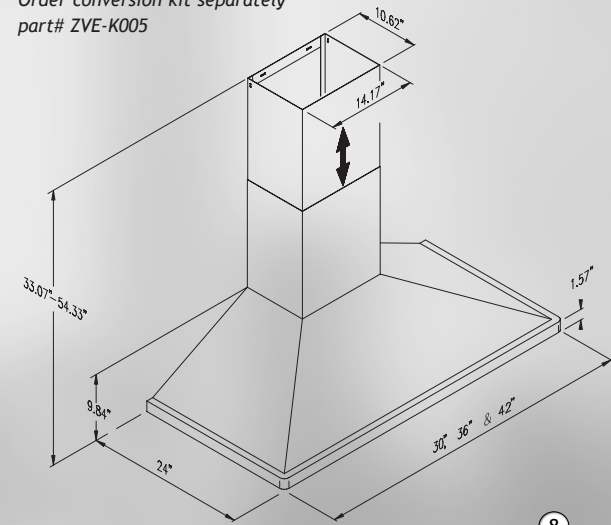

Featuring the same charm as the Venezia, but designed for use in island kitchen applications. The Napoli also features 4 bright halogen lamps and similar design as our wall mount Venezia series. All accessories are pre-packaged for mounting on ceilings including telescopic ducts and mounting hardware.

Features:					
Touch Controls	6 var. Speed	15 min. Delay Off	4 Halogen Lamps	2 Level Lighting	Telescopic Ducting
VENEZIA - ZVE-E36S - WALL					

Finish: Stainless Steel
Wire spice rack optional.
Available with ductless conversion.
Order conversion kit separately
part# ZVE-K005

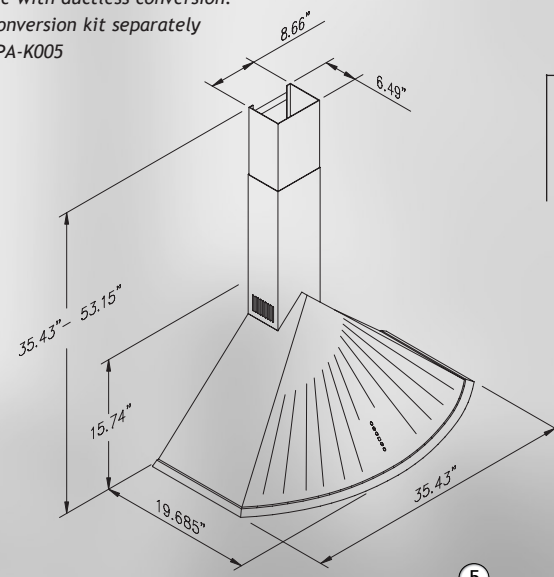

8

A vintage charm, this timeless Italian design features a bold, professional image. Classic and polished, this hood is well suited in any kitchen scheme. The Venezia is available in all popular US dimensions to fit large and small kitchens alike. Added depth on this hood also increases capture capability. Featuring 4 standard bright halogen lamps and a versatile wire spice shelf as option (as shown).

Features:					
Touch Controls	6 var. Speed	15 min. Delay Off	2 Halogen Lamps	2 Level Lighting	Telescopic Ducting
PALERMO - ZPA-M90S - WALL					

Finish: Stainless Steel
Available with ductless conversion.
Order conversion kit separately
part# ZPA-K005

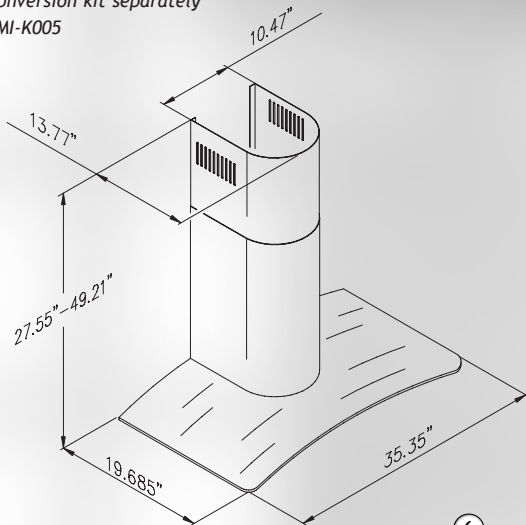

5

Contemporary with hints of European influence, this design has found popularity in today's newest kitchens. The Palermo's distinct, triangular construction and refreshing curves suggest a stately design yet without being overly bulky. Fits perfectly in a less spacious kitchen layout.

Features:					
Touch Controls	6 var. Speed	15 min. Delay Off	2 Halogen Lamps	2 Level Lighting	Telescopic Ducting
MILANO - ZMI-M90G - WALL					

Finish: Stainless Steel w/ clear glass canopy
Glass canopy ships in a separate box.
Available with ductless conversion.
Order conversion kit separately
part# ZMI-K005

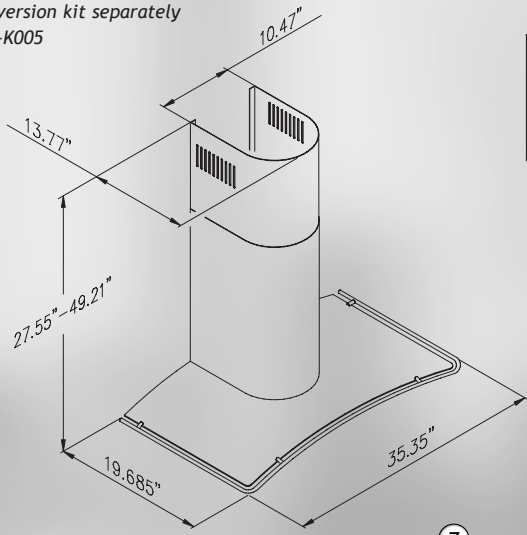

6

It is rare to find a unit that combines function and good looks this seamlessly. The European art deco-inspired design flows in the smooth and elegant curves of the Milano. Fused with a one-piece high quality hand-blown clear glass, which also delivers plenty of natural light to the cooking surface. The curvy glass outline suggests spaciousness and sophistication to any kitchen.

Features:					
Touch Controls	6 var. Speed	15 min. Delay Off	2 Halogen Lamps	2 Level Lighting	Telescopic Ducting
MILANO - ZMI-M90S - WALL					

Finish: All Stainless Steel
Stainless canopy ships in a separate box.
Available with ductless conversion.
Order conversion kit separately
part# ZPA-K005

7

The sophisticated and curvy Milano design offered in an all stainless steel construction. The strength of stainless steel suits the rigorous chef who seeks easy cleaning and durability without sacrificing today's style and trend. The stainless canopy panel is precisely and accurately molded to the same curvy specification as the glass option.
